

**Position:** Hardware Project Manager

**Position Location:** Charlottesville, Virginia

**Contact:** resumesVA@vgt.net

**Position Description:**

The hardware project manager works with development teams to manage the delivery of complex gaming systems. The project manager works with Engineers, Art Directors, Third Party Contractors, Marketing, Account Management, QA, Business Partners, and Customers to deliver gaming applications in a timely, organized, and well-managed way.

**Position Summary:**

- Provide project analysis and oversee project expenditures. Keep project on-time and within budget.
- Responsible for determining project scope, duration, costs, operational requirements and risks
- Maintain high level of communications with clients, vendors, VGT staff and others on project progress.
- Coordinate with technical staff, IT professionals, and contractors needed to complete projects.
- Design, plan, and implement actual projects to address VGT's goals in business expansion, technical conversions, and business strategy. Take complete responsibility to oversee projects from beginning to end.
- Assist and participate in hardware/architecture discussions and trade-offs.
- Trouble-shoot, diagram, research and work on hardware.

**Requirements:**

- Bachelors Degree in engineering field, or equivalent experience
- 6 years experience in project management with demonstrated knowledge of hardware design and architecture and current project management methodologies such as TQM, PMP, etc.

- 4 years hands-on experience working with hardware, R&D, or in a manufacturing environment
- Knowledge of technical systems that support business operations.
- Demonstrated ability to manage people, work with vendors, and settle disagreements among conflicting entities.
- Excellent communications skills both orally and in writing.
- Must be self-motivated and driven to deliver on commitments.
- Experience in implementing changes.
- Experience in a technical environment requiring coordinating software and hardware teams and multiple departments.
- Knowledge of MS Project and/or CMM preferred.
- 20% travel required.

Qualified and interested persons should send resume and cover letter to [resumesVA@vgt.net](mailto:resumesVA@vgt.net) stating the position title in the subject line. Please include salary requirements. Only candidates selected for consideration will be contacted. **No phone calls please.**
