

ROSWELL DINER

5-REEL VIDEO

1950s-inspired Roswell Diner™ is reminiscent of a time of hipsters, bobby socks, drive-ins, and B-movie aliens. Players select their choice of music to blast from the jukebox, while 50s characters randomly transform into their alien forms. These “big tickle” alien transformations may increase wins up to 9 of a kind.

BONUS PLAY

Lights flicker and the diner darkens, prompting jiving 50s beats and a rock'n' Bonus Round. While the reels spin, characters may randomly stick and transform creating a greater opportunity for out of this world wins. Additional bonus symbols prompt extra free spins and more chances to win.
