

Ruby's Red Spin Wilds

5-REEL VIDEO

Ruby's Red Spin Wilds™ includes stacked and nudging stacked wilds. Players will love the credits awarded as multiple stacked wilds transform into one large wild.

BONUS PLAY

Randomly, during the base game, **Red Spins™** may award at least 1 free spin. The Red Spins include nudging stacked wilds. When a wild appears on any reel, the reel will nudge up or down until there are three stacked wilds. The stacked wilds will transform into a reel-sized wild and match any symbol in a winning combination only on the payline except for the scatter pay ruby symbols.
